Conference Information

MCLE Information:

Pending certification by the California State Bar, approximately 7 hours of credit for attending the entire Conference are available. MCLE credit is available only for the California State Bar. We will not provide credit for any other state bar. To receive full credits, you are required to sign in and out to all sessions attended AND fill out, sign, and return the provided MCLE form/survey at the Conference. Our program changes every year, requiring us to reapply to the CA State Bar Association every year. This means that credits will not be immediately available.

Cancellation/Refund Policy:

Should you be unable to attend, a refund will be made for cancellations received via email to Register@prop65ch.com by Monday, September 9, 2024. Otherwise, we will be pleased to transfer your registration to another member of your organization or credit the registration fee to next year's conference. A \$200 administrative charge will be applied to refunds of registrations after the expiration of the Early Bird Rate, which is Friday, July 26, 2024.

Watch Recordings:

We will not be offering a live Zoom option this year, however, we will record the conference and make the recordings available to those who register for that option and for all attendees for 30 days after the event.
